“You have to be in the right mood to watch this, but it will have an impact on you.”  
-- *Albany Times Union*

“This is an important issue and I encourage anyone planning to watch the movie to also search the Internet for opposing positions.”  
-- *Movie City News.com*

“This is a must see documentary and it is a keeper for the personal library. Maintain an open mind when viewing this documentary it is a gut wrenching experience.”

-- *Examiner.com*

“Tough to watch, this is still a must-see and humane look at our medical system's heartlessness.”

-- *Static Multimedia.com*

“More than anything, this is a documentary about breaking down what went wrong. If you like getting your blood pressure up, you'll find that you're almost foaming at the mouth by the 30 minute marker.”

-- *AndersonVision.com*

“It's a powerful and persuasively presented message ...”

-- *Boston Event Guide*

“An important documentary work, everyone should see *Who Killed Alex Spourdalakis?* as soon as possible.”

-- *Fulvue Drive-In.com*

“*Who Killed Alex Spourdalakis?* is a hard-hitting story. It is not the easiest presentation to watch by any means. But it does offer a glimmer of hope in its primary bonus featurette showing that change is possible.”

-- *Phil's Picks.com (Blog)*

“The story of Alex is an indictment of our healthcare system's ability to treat autism as a disease rather than a psychiatric disorder.”

-- *ReelBob.com*
